BEACH Day Trip

Main Attraction: Cape Flattery

8:00 a.m. Bring your To-Go Breakfast to eat in the car and take US-101 15 mi. west to WA-112. Go 63 mi. to the **(2) Makah Museum** on the left at 1880 Bayview Ave. Neah Bay. (360) 645-2711

10:00 a.m. Stop into the museum to pay for your \$10 Recreation Permit. Display it in your vehicle while in Neah Bay, on the Makah Reservation. It's worth the \$6 admission to explore the exhibits, including a replica longhouse and 500 year old artifacts from a Makah village at Ozette.

11:00 a.m. Continue west on WA-112 / Bayview Ave. through town to Cape Flattery Rd. After 3 miles, it becomes Cape Loop Rd. Go 4 more miles to the parking for **(4) Cape Flattery Trail**.

11:15 a.m. Hike this 3/4 mile trail, with some boardwalk sections and short stairs through the forest to arrive at the viewing platform. This is the northwest-most point of the contiguous U.S. This rocky bluff overlooks the Pacific Ocean and Tatoosh Island with its 66 foot-tall lighthouse.

12:15 p.m. Retrace your way back to town and stop for lunch at **(3) Linda's Woodfired Kitchen** 1110 Bayview Ave. (360) 640-2192. Enjoy woodfired pizza and, if fishing was good, fresh cedar-planked salmon.

1:00 p.m. Return to Cape Flattery Rd. Take it 2 miles to Hobuck Rd. and turn left. Go across the little bridge then keep right onto Makah Passage. Continue 2 more miles and take the right fork onto Tsoo-Yess Beach Rd. Go 2 more miles and the road curves left and becomes Fish Hatchery Rd. In 1 minute, parking for **(6) Shi Shi Beach Trailhead** will be on the right.

1:15 p.m. Hike the trail for 2 miles and take the wooden steps down to this beautiful, rugged beach. Hike back to parking the way you came.

3:15 p.m. Drive back the way you came, through Neah Bay to take WA-112 east to US-101 east to return to the inn. If you haven't done so, call ahead to your restaurant of choice so you won't wait for a table.

5:30 p.m. Relax for a little while before going out to dinner. You deserve it after a full day! Hope you enjoyed today's trip. Ready for tomorrow?

Or have breakfast at **(1) Breakwater Restaurant** 15582 WA-112, Clallam Bay. (360) 645-2711. Opens 8 a.m.

A village buried by a great slide 500 years ago was unearthed in 1970. Hundreds of artifacts that would usually disintegrate were preserved.

You literally follow the double yellow line in the road all the way from town to the parking area.

Sightings of gray whales and sea lions are not uncommon from the Cape Flattery viewing platform.

If Linda's is closed (on Tuesdays), do lunch at Warm House Restaurant. 1471 Bayview Ave. (360) 645-2077.

*For a shorter trip, follow the signs for **(5) Hobuck Beach** and enjoy this flat, sandy beach without any hiking.*

Trail can get muddy after it rains. Bring appropriate footwear.

*An alternate to Hobuck or Shi Shi is **(10) Rialto Beach** after hiking to Cape Flattery. Take WA-112 east. Continue south on WA-113. Turn right on US-101. Turn right on WA-110 west to Rialto Beach.*

Items (6) - (12) in red are shown as alternates or for planning your own day trip.
